Dear ACM-ICPC TOPC Committee Members,

We promise that we shall compete in the 2017 ACM-ICPC Asia Taiwan Online Programming Contest for the honor of our team. During the contest, we shall not violate the following rules.

1. No machine-readable materials (e.g., source codes, templates, etc.) are allowed. However, paper-based materials, such as textbooks, dictionaries, printed notes, etc., are allowed.

2. Contestants are only allowed to contact his/her teammates during the contest. Contestants shall not discuss with his/her coach and other teams.

3. Contestants shall only access the internet for downloading the problem description, submitting source codes, requesting problem clarification and checking the scoreboard. Any other type of internet access is prohibited.

4. A team shall not simultaneously use more than one computer to write programs during the contest. Contestant shall not use any other type of electronic devices, except extra monitors and printers.

5. All malicious actions interfering the contest are prohibited.
